## Who are we and why are we out on Halloween?

We are New Life Church and we are out here on Halloween to offer you a 'treat' - a hot drink to warm you, something tasty to eat, and maybe a listening ear!

Most people who are 'trick or treating' this evening are just out to enjoy themselves and have fun and so are we!

However, Halloween is an evening that people associate with fear, darkness and spooky ghosts and many people out this evening will be dressed up in scary costumes.

Maybe this evening reflects the darkness, fear and anxiety that many of us are feeling with the rising cost of living.

If this is you, we're here to listen to you, to offer prayer and ultimately to point you to Jesus, who said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." (*The Bible*). We may also be able to signpost you to practical help.

God offers us the best 'treat' ever - a relationship with Himself. Because Jesus willingly died on a cross (and rose again) we need never be overcome by darkness again!

If you would like to talk to us or receive prayer this evening, please come over to the big white gazebo. On the other side of this leaflet are details of some of our activities that you may wish to join in with.
